Effective September 2015

The ad we purchased in **Holley By the Sea News** has been a contributing factor to the increase we have had in our daily customer counts this year. Our customer count is up an average of 12%, compared to last year. You would not believe how many people didn't realize what we have to offer. We are 100% satisfied with the service we have received from the **Navarre Press**.

Thank you,

We started advertising with HTBS News back in March of this year. I thought it would be a good fit because Holley by the Sea is close to our studio. I have been more than pleased with the results. The design team does a wonderful job – our ads look beautiful each month!

Most important of all are the results that I'm seeing from my ads in HBTS News! I can attribute 25% of the calls I get each month to my ads. And that pretty much just says it all. Thank you Dani, Gail and team for helping Broadway Lights Dance Center grow. We I appreciate you!!
