

Process to Resolve Covenant and Rule Violations

FL720.305(2)

(a) An association may suspend, for a reasonable period of time, the right of a member, or a member's tenant, guest, or invitee, to use common areas and facilities for the failure of the owner of the parcel or its occupant, licensee, or invitee to comply with any provision of the declaration, the association bylaws, or reasonable rules of the association. This paragraph does not apply to that portion of common areas used to provide access or utility services to the parcel. A suspension may not prohibit an owner or tenant of a parcel from having vehicular and pedestrian ingress to and egress from the parcel, including, but not limited to, the right to park.

(b) A fine or suspension may not be imposed by the board of administration without at least 14 days' notice to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three members appointed by the board who are not officers, directors, or employees of the association, or the spouse, parent, child, brother, or sister of an officer, director, or employee. If the committee, by majority vote, does not approve a proposed fine or suspension, it may not be imposed. The role of the committee is limited to determining whether to confirm or reject the fine or suspension levied by the board. If the board of administration imposes a fine or suspension, the association must provide written notice of such fine or suspension by mail or hand delivery to the parcel owner and, if applicable, to any tenant, licensee, or invitee of the parcel owner.

(1) SERVICEMEMBERS CIVIL RELIEF ACT claims will be reviewed by the association attorney on a case by case basis.
